## POPULAR OPTIONS

### E-TRACK AND CLIPS

E-Track gives you maximum flexibility for the placement of your snowmobiles and any other gear that you may haul in the off season.

Steel E-Track shown. Aluminum E-Track is available for aluminum trailers.

### HEAVY DUTY D-RINGS

Our Heavy Duty D-Rings are super strong with a 5,000 lb. rating.

The number of D-Rings and locations can be specified by you when you order your trailer.

### ROOF VENTS

Roof vents come in powered and non-powered versions. Shown is the "Fantastic" 12-Volt fan, complete with rain sensor, thermostat and directional flow control!

### RECESSED SLIDE TRACK AND SKI BARS

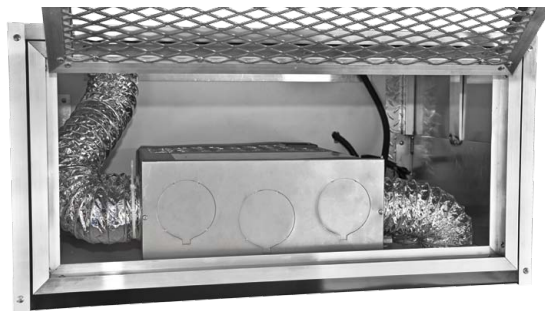

Quickly secure your snowmobile with Recessed Slide Track and Ski Bars!

Note: Recessed Track is available only on aluminum trailers.

### FURNACE

Laugh at the cold weather as your gas furnace keeps you nice and warm!

### BOOT WARMER

Warm your boots up between runs with our custom made boot warmer! Note: Furnace option required!

### OVERHEAD CABINETS

Great for helmets and other gear!

### WICKED WHEELS

Aluminum Mod

Series 14
