# CUSTOMIZE YOUR COMBO TRAILER!

**WHEEL CHOCKS**

Floor mounted wheel chocks are a great way to safely secure your motorcycle or dirt bike.

**STABILIZER JACKS**

Our Medium Duty Stabilizer Jack keeps your trailer level and steady during loading, unloading, and while you're working in your trailer.

**EXTERIOR FLOOD LIGHTS**

Our super bright energy efficient LED flood lights are available in either black or mill finish aluminum.

**E-TRACK WITH CLIPS**

With floor or wall mounted E-track system, you can haul just about anything!

**HEAVY DUTY D-RINGS**

Secure your cargo with a set of our Heavy Duty D-rings. They are recessed in the floor and have a 5,000 pound rating.

**ALUMINUM WHEELS**

Mod Style Rim

Series 14 Rim

Choose from the classic "Mod" style or the sleek and modern aluminum Series 14 wheels to add the finishing touch to your trailer.

**ROOF VENTS**

Top of The Line  
12-Volt "Fan-tastic" Vent

Other roof vents are available in 12-volt, 110-volt, and unpowered configurations.

**SIDEWALL VENTS**

Flow-Thru  
Sidewall  
Vents

Salem  
Sidewall  
Vents

Our Plastic Flow-Thru Sidewall Vents help keep your trailer from becoming an oven. The Salem vents provide maximum ventilation for more demanding situations.

**12-VOLT LED INTERIOR LIGHTING**

For the latest in lighting, check out our state-of-the-art LED interior lights.

They're big, bright, beautiful, and very energy efficient. The light shown is 39-1/2" long and is available in a single or dual strip of LED lights.
